WSP Mobile DUI Vehicle in Town

The Washington State Patrol's Mobile DUI vehicle will be at the WSP Vancouver Headquarters for viewing tomorrow June 8th at 11:00 am. This 2005 Winnebago motor home has been converted into a mobile DUI processing/incident command vehicle and is available for use at events across the state.

The vehicle is equipped with three BAC machines (for obtaining breath tests), two holding cells and an interview room to test people suspected of being impaired with drugs. The vehicle also has bathrooms and kitchen facilities as well as work stations for the troopers to do their reports. The Oregon State Police have shown interest in the vehicle and will have representatives at the event.

The Media are invited to tour the Mobile DUI vehicle and WSP will have representatives on hand to answer questions. The Public is welcome to attend as well.

See the attached picture of the WSP Mobile DUI vehicle.

The WSP-Vancouver Headquarters is located at 11018 NE 51st Circle in Vancouver.
